Colleagues' Feedback

Exceptional ability to translate creative concepts into pixel-perfect, responsive, and highly functional interfaces. She approaches challenges with a problem-solving mindset, communicates clearly, and is always open to collaboration and feedback. This made our designer–developer workflow seamless and productive.
Senior Graphic and Brand Designer

She consistently impressed me with her speed, attention to detail, and willingness to go the extra mile to help others.
Senior Marketing Specialist

Demonstrated exceptional technical skills combined with a strong sense of ownership.
The kind of professional who makes both the work and the working environment better.
CIO

Quick to suggest improvements that made the applications more user friendly, and she always made sure her solutions aligned well with the backend. Her code was clean and reliable, and she consistently delivered on time, even when deadlines were tight.
Fantastic teammate to work with because she is cooperative, diligent, and has excellent communication skills.
Technical Lead

TESTING (JEST, CYPRESS) Intermediate

Personal skills

Strong **collaboration** skills with cross-functional teams (backend, design, product)

Clear and structured communication with technical and non-technical stakeholders

Problem-solving and analytical thinking in complex projects

Adaptability and continuous learning of new technologies

Attention to detail for high-quality UI/UX delivery

Effective time management and prioritization in fast-paced environments
